

2025 Annual Report

Riverside Community Services – Serving the valley since 1987

A Message from the Director

This year our volunteers and staff reached more neighbours than ever before. Demand for food support rose sharply in the spring, and thanks to three new community partners we were able to keep every pantry shelf stocked. Our youth tutoring program doubled in size, and the seniors’ meal service added a second weekly delivery route.

None of this would be possible without the people of Riverside. Thank you.
— Dana Okafor, Executive Director

Highlights

- 48,200 meals delivered to 1,150 households
- 312 students enrolled in after-school tutoring

Program Results

The table below compares each program’s 2025 results with its targets. Four of five programs met or exceeded their goals; the housing navigation program fell short after a staffing gap in the third quarter.

Program	Target	Actual	Change	Status
Food pantry	40,000	48,200	+20.5%	Exceeded
Youth tutoring	250	312	+24.8%	Exceeded
Seniors’ meals	9,000	9,450	+5.0%	Met
Volunteer hours	6,500	6,900	+6.2%	Met
Housing navigation	180	142	−21.1%	Below

Looking Ahead to 2026

Next year we will open a second food pantry in the east end, add evening tutoring sessions, and rebuild the housing navigation team. We are also launching a monthly giving program so supporters can make a steady difference all year long.
